*Wyss Academy for Nature at University of Bern, Switzerland*

# Making actions of Non-State Actors Visible in Achieving Global Goals

INFORMATION ABOUT THE SECRETARIAT

 **ACTION AGENDA**  
CBD *Make a pledge*

**Join the Action Agenda**

Reversing biodiversity loss requires action from all segments of society! With the adoption of the Kunming-Montreal Global Biodiversity Framework, it's in everyone's best interest to take action and put biodiversity on a path to recovery by 2030! Take leadership and inspire others to safeguard, restore and invest in biodiversity.
